Im Heung-soon, a film director and artist who became the first Korean to win Silver Lion at the Venice Biennale 1:18 Animal artists paint for charity (and treats) Animal Anatomy for Artists Review: While studying the science of the animals and especially when you are concerned with their health being a doctor, you would have only done justice if you had succeeded in understanding their anatomy. Here are 288 remarkably lifelike drawings of animals, furnishing artists and students with an easy-to-follow method of instruction in the drawing of horses, dogs, lions, cows and bulls, stags, and goats.
