

Download Another Part Of The Wood: A Self Portrait

A self-portrait may be a portrait of the artist, or a portrait included in a larger work, including a group portrait. Many painters are said to have included depictions of specific individuals, including themselves, in painting figures in religious or other types of composition. This lesson is good for elementary through middle school (and up). I particularly liked the range of styles of painting this project showed. I selected two very different examples from the ones Tammy shared. Examples above are from 6th graders. Students draw self portrait from observation using mirrors. John Singleton Copley [pronunciation?] RA (1738 – September 9, 1815) was an Anglo-American painter, active in both colonial America and England. Well, Jorge Mario Bergoglio has—surprise, surprise—begun his pretty open campaign of retribution against “Archbishop” Carlo Maria Vigano, who is not without blame in the protection of sodomite “bishops” (see Mrs. Randy Engel’s The Strange Case of Archbishop John Clayton Nienstedt, part I, and The strange case of Archbishop John ...
