For the experienced gardener or the novice, raised garden beds take the hassle out of horticulture. Here are tips on planning, building, protecting and irrigating raised bed gardens. Sometimes a garden is too much of a mess to be salvaged. Here are the steps to building a new bed or border from scratch. Here are the steps to building a new bed or border from scratch. Explore When preparing soil for your vegetable garden and it is over lawn or weeds, you can mow the area to ground level and build the garden on top, or you can leave the vegetation to decay underneath in time — as long as you cut out light to kill off the grass and weeds underneath.
