

Download Clinical Pathways In Nursing : A Guide To Managing Care From Hospital To Home

Results. Clinical pathways were created for suicide risk screening in pediatric EDs and inpatient medical/surgical units. The pathway outlines a 3-tiered screening process utilizing the Ask Suicide-Screening Questions for initial screening, followed by a brief suicide safety assessment to determine if a full suicide risk assessment is warranted. The weekly magazine, websites, research and databases provide a powerful and all-encompassing industry presence. We help you make informed business decisions and lead your organizations to success. Study. Our Medicine, Nursing and Health Sciences degrees will take you further. Get started and stay ahead of the game. Guidance, advice and information services for health, public health and social care professionals.
