

# Download Forensic Science Level 3

Forensic science is the application of science to criminal and civil laws, mainly—on the criminal side—during criminal investigation, as governed by the legal standards of admissible evidence and criminal procedure. While there are a limited number of programs focused specifically on forensic science, many schools offer related programs that can be applied to positions in that field. What Forensic Science Technician Degrees and Certifications Exist? Below is a listing of the different types of forensic science technician programs, from technical certificates to master's degrees. The median annual wage for forensic science technicians was \$57,850 in May 2017. The median wage is the wage at which half the workers in an occupation earned more than that amount and half earned less.
