

Download Man In The Living Environment

Man's notion of barrenness is commercial. I often thank God that there are wildernesses left, wild spots where profit has no dominion. ~Henry James Slack (1818–1896), *The Ministry of the Beautiful*, "Conversation III: The Oak-wood," 1850
In biology and ecology, the environment is all of the natural materials and living things, including sunlight. If those things are natural, it is a natural environment.
A Northumberland man has been ordered to pay almost £4,000 after assaulting an Environment Agency officer investigating a pollution incident and threatening to burn down his house.
A cutting-edge scientific analysis shows that a Briton from 10,000 years ago had dark brown skin and blue eyes. Researchers from London's Natural History Museum extracted DNA from Cheddar Man ...
