

# **Download Marvel Masterworks The Fantastic Four Volume 8 Marvel Masterworks Fantastic Four Quality**

Essential Marvel is a line published by Marvel Comics that reprints vintage comic book material in paperback format. Each black-and-white volume reprints approximately 20-30 issues of a classic Marvel title (mostly from the Silver Age or Bronze Age). This is a list of titles featuring the popular Marvel Comics character Spider-Man. Spider-Man first appeared in *Amazing Fantasy* #15, which was the last issue of that series. *War of Realms* begins, Liefeld returns and *Avengers: No Road Home* concludes in Marvel's April solicits. The final breakthrough came with Lee and Kirby's first issue of *Fantastic Four* in 1961. The Marvel line went on to redefine what readers expected of superheroes, but when the *Fantastic Four* appeared, they shattered a long-observed set of rules.
