

# Download Real Life Reading Activities For Grades 6 12

Online interactive learning and reading activities for interactive whiteboards, computer labs, and students PreK–8. These activities have been developed by national reading experts for you to use with children, ages birth to Grade 6. The activities are meant to be used in addition to reading with children every day. Providing educators and students access to the highest quality practices and resources in reading and language arts instruction. Many students encounter difficulty as they transition from "learning to read" to "reading to learn" in fourth grade, and this difficulty can be even more pronounced for English language learners.
