A.H. Almaas (/ ʔ ʔ ʔ l m ʔ s / AHL-mʔss) is the pen name of A. Hameed Ali (born 1944), a Kuwaiti American author and spiritual teacher who writes about and teaches an approach to spiritual development informed by modern psychology and therapy which he calls the Diamond Approach. Chapter Two: Education as a Social Function 1. The Nature and Meaning of Environment. We have seen that a community or social group sustains itself through continuous self-renewal, and that this renewal takes place by means of the educational growth of the immature members of the group. A definition of spiritual enlightenment or spiritual awakening is hard to pin down. This is, in part, because "spiritual enlightenment" and "spiritual awakening" have been used in so many ways to describe so many things, similar to the way in which "love" is used to describe everything from a preference for ice cream to a merging with everything. Grace is a beautiful hindsight thing, explained in the providence of provisions unseen. Often camouflaged in tatters or fearful tears, of what at the time feels like failure of a broken dream.
